Behind Every Bite

The Power of Foodservice Distribution

behindeverybite.org

It's more than trucks and warehouses. It's the **$426 billion** economic engine powering every community in America.

We ensure fresh, safe food gets from the farm and food manufacturer to every restaurant, school, hospital, and military base across all **50 states.**

A Massive Footprint, A Local Impact

$426 Billion
annual revenue—more than Apple's total worldwide revenue in fiscal 2025.

443,500
dedicated professionals with stable careers and high earning potential in every state

17,580
warehouse facilities

173,200
delivery vehicles

Compensation for a Class A CDL Driver

IFDA Median: $78,137*

U.S. Median: $57,440**

*Gross Compensation for Class A CDL Drivers
**Wage for Heavy and Tractor-Trailer Truck Drivers

The 211-Mile Mission

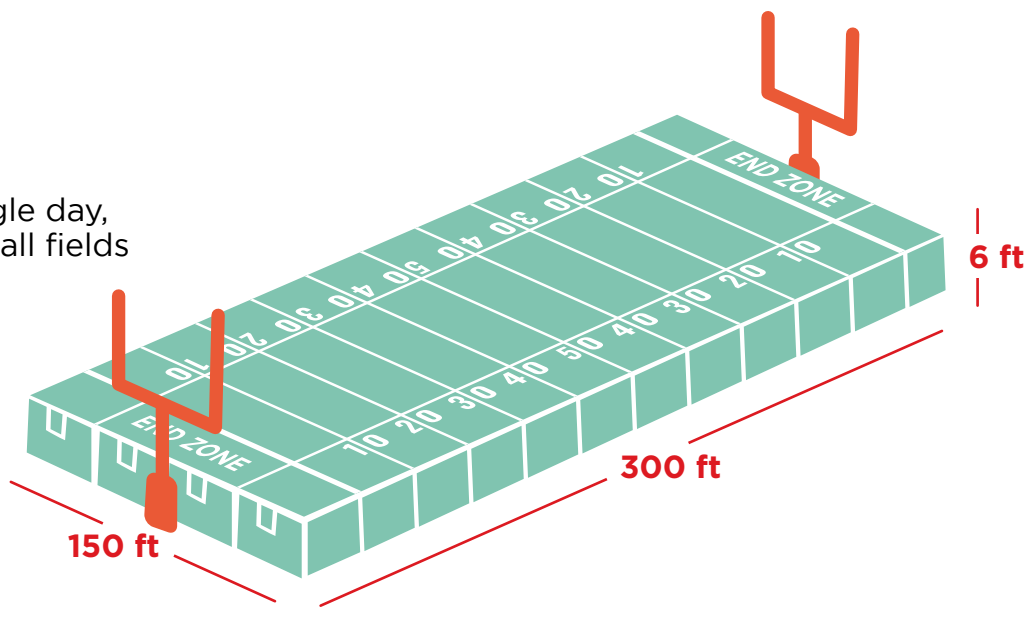

Every day, a typical distribution route is a feat of precision and dedication.

10 unique stops

530+ essential products delivered daily; driver home in time for dinner

Feeding A Nation: 12.8 Billion Cases Annually

35 Million
cases delivered every single day, enough to cover 230 football fields 6 feet high

Supplying 1 Million+ Professional Kitchens

From independent local favorites to school and hospital cafeterias, we serve them all.

From Every Source

- Farms
- Fisheries
- Manufacturers
- Processors

To Every Table and Tray

- Schools
- Universities
- Hospitals
- Hotels
- Chain & Independent Restaurants
- Military Bases
- Stadiums and Arenas

1 million professional kitchens are roughly one kitchen for every **335 Americans.** This highlights how "Behind Every Bite" isn't an exaggeration—it's a statistical reality for every neighborhood.

The Diverse World of Foodservice Distributors

Broadline
The "Generalists" serving all types of restaurants, food preparers, and professional kitchens

Redistributors
The "Support System" for the industry, carrying a wide range of products to serve foodservice distributors

Systems
The "Experts" for major restaurant chains

Cash-and-Carry Stores
The "Direct Depot" of wholesale retail stores for in-person shopping for consumers and foodservice operators

Specialty
The "Specialists" in specific ingredients – for example Italian ingredients, seafood, or fresh produce
